

September 2, 2015

Dear Merchant,

Dash along Blaine Marine Park at our annual Holiday Lights Obstacle Dash Saturday, December 5 in downtown Blaine.

We need your help sponsoring the obstacles along the 1.5 mile route! Last year runners were challenged by the limbo luge, snowball toss, Christmas tree slalom, tunnels and more! The theme for each obstacle is suggested to be something of a winter nature. All obstacles must be safe and pre-tested to ensure that all participants, young and old, can safely complete the task with little to no injury risk.

There is no cost to be a sponsor! Your participation does require building the obstacle, setup and takedown, and supervision of your obstacle during the event. The event will start at 3 pm and most runners are through the course by 4 pm.

If you are interested in participating in this year's event, please fill out the attached vendor form and mail, email or fax it to us no later than October 30. All sponsors will have their name advertised on the event shirt and our website, [www.blaineholidayharborlights.com/fun\\_run.htm](http://www.blaineholidayharborlights.com/fun_run.htm).

If you have any questions, please feel free to contact me at (360) 656.6416.
